

Environmental Policy

Trans Traffic Survey (BVY Ltd) Environmental Policy

Trans Traffic Survey is an ISO 9001 Quality and AS 4801 Safety certified company specialising in the accumulation, analysis and reporting of transport and survey related data. Our clients include government, non-government and not-for-profit organisations. Our head office is in Caroline Springs, VIC, with operations across other Australian States and Territories (i.e. Sydney, Adelaide Canberra, and Perth).

The Company's environmental management system applies to all operations and services of Trans Traffic Survey at its head office in Caroline Springs. It's casual and sub-contract staff are expected to comply with the spirit of this policy in the context of the organisation in which they work.

We at Trans Traffic Survey aim at achieving continual environmental improvement and prevention of adverse environmental impacts through implementing an Environmental Management System with objectives and targets

to

minimise our environmental footprint

by

working with staff and other stakeholders

through

pollution prevention practices

in

compliance with legal and other requirements

& be

a role model for others to follow.
